if a singer songwriter could rock-n-roll, that's what this is with infectious melodies and gut wrenching emotion... 8 MP3 Songs ROCK: Classic Rock, COUNTRY: Country Rock Details: New Professionals - Come Hell Or High Drama, this is the debut release for this New York City band, produced by Scott Gilman (google him for more info). Female fronted rock n roll band, with real songwriting. Turn it up loud and go to their website to check out the band behind the music. CURRENT NEWS: Songs ROCKSTAR and TOO HOT off the new release are featured in the movie "GIRL PLAY" that has been an over night sensational box office hit at the OUTfest in Los Angeles, now currently traveling the states and the world getting awards left and right. Also on that soundtrack are Linda Perry and Sinead O'Connor.... not bad company for the first time out! In the mean time the band is working hard in the studio, writing new material. Please leave your reviews about the CD and tell your family and friends about us so you can say you knew us "when". Thanks and visit our web-site.
