

Mp3 Nova - On The Couch

[DOWNLOAD HERE](#)

Singer/songwriter Nova delivers an inspiring collection of passionate vocals, stretched over current production, to provide an honest, intensely soulful musical perspective. 16 MP3 Songs POP: Pop, URBAN/R&B: Soul Details: So this is the thing...lots of people have come over and sat on my couch. Some honest, some not, some desiring change, others not so much. Some friends seek advice, and others need an ear or just want to vent, and some just come over for the comfort of the couch. "On The Couch" is a collection of stories, some mine, some theirs, and maybe even yours. People who are interested in Natasha Bedingfield Corinne Bailey Rae Sara Bareilles should consider this download.
