

Mp3 Numina - Symbiotic Spaces

[DOWNLOAD HERE](#)

two-disc set of dark-ambient soundscapes, deep drone textures, experimental tonalities, and mysterious tribal rhythms. 20 MP3 Songs in this album (144:11) ! Related styles: ELECTRONIC: Ambient, ELECTRONIC: Soundscapes People who are interested in Steve Roach Robert Rich Alio Die should consider this download. Details: Numina is the music project name by Denver-based ambient artist Jesse Sola. Numina's prolific discography includes releases on Hypnos Recordings, Gestalt Art Forms, Dark Duck, Vendetta Music, and self-released CD-Rs on the Numinamusic label. Recording since the mid-90s, Sola's music is often akin to taking a sonic travel within the mind. Covering a lot of mucial territory ranging from old school dark-ambient songs to deep spacey ambient textures. Numina has also been featured on the syndicated radio program Hearts of Space, and featured in several independent film scores.
