Oh No Not Stereo is a high-energy rock trio from Los Angeles, California. 13 MP3 Songs ROCK: Hard Rock, ROCK: Punk Details: Oh No Not Stereo is a high energy rock trio from Hollywood, California. Their self titled, 13 track debut record is as honest as it is relentless. With non-stop driving breaks and enthusiastic changes, Oh No Not Stereo combines Bronx-esque attitude with Beatles-esque breakdowns. Until recently, the band has survived as a duo. Close to a year's worth of shows were played entirely by the band's two founding members Sky Nielsen (vox/guitar) and Myk Agee(drums/vox). Josh Hogan (bass/vox) is the most recent addition, completing the Oh No Not Stereo outfit. Two semi-national tours have been completed by the band to date, not to mention the handfuls of highly-chaotic, highly-energetic local shows that we all love too much. Oh No Not Stereo is a strong three piece band that has enough drive to conquer anything. When the music is all that matters, nothing else stands in the way.
