Her songs possess a long lasting vintage quality. Whether playing acoustic or electric guitars, this six song EP gives the listener an overview of her elastic but gritty vocals that waltz along side her innovative rhythm section. Her songs are raw with an edge, yet they softly stare you in the face and sit with the listener, no matter their mood. Showcasing a broad range of naked emotion and musical prowess, this up and coming songwriter's sound is proving itself as a rare combination in today's music scene.
