In addition to the six original compositions, Pete has included three of his most requested covers. Twentieth Century Guitar, December 2000: "In the spirit of acoustic guitar great Pierre Bensusan comes Maryland-based guitarist Pete Marinovich....On his recently released second album Second Voice, Marinovich is accompanied by jazz pianist Elliot Levine. Just as impressive as Nude With Guitar, the all-instrumental, nine track Second Voice spotlights a number of Marinovich originals as well as covers of The Beatles ("In My Life" and "Michelle") and the Jerry Jeff Walker classic "Mr. Bojangles". Jazzy playing with just the right amount of classical, Flamenco and folk guitar touches, both albums feature artistic guitar work and hold up nicely with repeat listenings."
