Quincy will remind you of Iron Wine, a rootsy-melancholy Sebadoh, or an indie-tinged 16 Horsepower w/ a bit of a Nick Drake influence.... 11 MP3 Songs FOLK: Folk Blues, ROCK: Americana Details: "Quincy is one of Tucson's most promising new acts. Recent transplants from Portland OR, one of the hippest music scenes in the country, this act will remind you of Iron Wine, a rootsy-melancholy Sebadoh, or an indie-tinged 16 Horsepower w/ a bit of a Nick Drake influence." - PlushTucson.com "Really incredible guitar playing/picking, nice smokey, old-school Elliot Smith vocals." - New Music West Festival Jury "Beeson plays alternately grimy and twinkly folk blues, with whatcha might call articulate lyrics..." - Willamette Week (Portland, OR) live review The Oregonian describes his playing as "atmospheric and thoughtful" while HardRoadenthusiastically claims, "Beeson executes some of the most creative and efficient guitar accompaniment I have ever heard." Previously, Beeson was guitarist and songwriter with Portland, Oregon's Demi-Dryer alt-country band for four years and two nationally well-received records, "Outside Line" and "Empty Space," both produced by Beeson at Portland's Jackpot! Studios.
