"You may have "never heard of him" now, but believe me in the near future this young man is a force to be reckoned with. He's good lookin (I hate him), he sings great (hate him) and he's a great entertainer (hate him again). Leave out all those parentheses 'cause also I forgot to mention a great songwriter. His CD is just great country music from Texas. He's at home whether it's his song or western swing or just a great country classic. Randy Brown is the real thing ladies and gentlemen." - Tommy Alverson "Since I am a HUGE Merle Haggard fan, I would have to be really bowled over to play a Hag tune by any other singer on KTFW, but I was impressed by Randy Brown's cover of Merle's "I Won't Give Up My Train", it's one of my favorites on his new CD. Randy puts his own spark to it and all the other classics on the CD." - Mike Crow / KTFW 92.1 FM Host of The Country Gold Morning Show
