Jewish Rock? You bet. Robbi's legendary energy and spirited Jewish songcrafting will keep your toes tapping and spirit soaring as she "sings a new song unto God." Expect the unexpected and prepare to be Rockin' w/Ruach. 11 MP3 Songs WORLD: Judaica, POP: Folky Pop Details: Who would've guessed that this Air Force brat born in Waco, Texas, would take the Jewish world by storm with her energy and music? From the halls of Temples everywhere to the camps of the UAHC.... Robbi Sherwin's SPIRITED JEWISH SONGCRAFTING keeps them singing and tapping their toes! Inspired by Jewish recording artists such as Kol B'Seder, Debbie Friedman, Sam Glaser, Mah Tovv, Julie Silver, Yom Hadash and others, Robbi's first CD of original Jewish liturgy and contemporary music utilized her friends and colleagues met at the Conference for Alternatives for Jewish Education. CAJE is not only the largest Jewish educator's conference in the world, but also the largest gathering of Jewish Contemporary musicians. The "Queen of Collaboration" named her CD, "Todah LaChem" (Thanks, y'all!) to thank the many wonderful artists who contributed to Robbi's enthusiasm in creating her music. Many of them are featured on this amazing album! Great for the car, the synagogue, the Shabbos table and camp settings, Robbi's Todah LaChem will be a CD you will return to over and over again!
