

Mp3 Sanama - Opening Doors

[DOWNLOAD HERE](#)

A new breath of Flamenco Funk, Arabic Salsa, French House/Hop, and Persian Fusion. 11 MP3 Songs
WORLD: World Fusion, LATIN: Latin Rap Details: A new breath of world fusion. Music, which reflects curiosity, culture, language, and passion. From the mountains of the Middle East to the suburbs of the Americas their music touches the world spreading the message of unity to all races and religions. An audible collage incorporating Persian, Latin, Gipsy, Hip-Hop, Flamenco and Funk styles. Their words are expressed through English, French, Farsi, Spanish, and Arabic. By way of traditional instrumentation fused with electronic elements they reach the soul. Sanama is an 8-piece band based in San Francisco California and is composed of piano, bass, guitar, timbales, drums, violin, santur, daft, timpo, tombac, and vocals, along with an assortment of other instruments. With a surprisingly fast success rate in the Middle East and the Asia's, Sanama has already been recognized for their creative organic mix of the world's styles and instrumentation before the release of their first album. From their Violin based electronic French Tangos to their Persian Reggae, incorporating Belly Dancers and DJ's their shows are full of life and surprise.
