Sacred Music for your Yoga Meditation practise to open your heart and to serve you on your journey towards oneness 10 MP3 Songs NEW AGE: Yoga, WORLD: World Fusion Details: Beautiful, beautiful... I enjoy your music very much. It is not only the playing, but also the space, which gets created through your music. You do have a purity in your music where one can feel your heart. Parijat "ONE" is the CD to celebrate Unity. It's message is oneness - the unity of all religions all beings. "One" features Mantras from all major religions. Sathya chants the Heart Sutra, the Prayer of St. Francis, as well as prayers in Sanskrit, Hebrew, Arabic English. We chant different names, we worship different forms - still there is only One. Now is the time to see unity in diversity and to embrace the oneness of all everything. "ONE" is the first CD which brings the devotional chants of the many different religions together; to celebrate unity, to go beyond separation and to find that the ultimate truth is everpresent in all of us we can access that sacred inner space through chanting those divine songs. Sathya's sacred music is born out of pure love for his spiritual teacher and his sincere devotion towards truth. His years living in India have given him great insight into the ancient wisdom of yoga, the power of Sanskrit mantra and the art of devotional chanting. His deeply transformational experiences with his Guru opened him to the flow of love grace which expresses itself in his heartfelt music. It has been during that time when Sathya composed his debut album "Orange Sun" - Music dedicated to the divine in all beings and an affirmation to surrender to that magnificence in us. His insightful lyrics and sweet melodies result in a truly sacred songwriting. Accompanied by his unique angelic voice from the heart his music is a channel of love, peace, healing and a gateway into stillness deep meditation. It touched the hearts of thousands around the world and continues to spread the message of love, peace, unity divinity throughout the globe. Sathya who enjoys singing mantras since his childhood says "Chanting is a spiritual tool for deep transformation. It is a direct

link to open the heart and to connect us with our inner truth, the stillness within. Through devotional chanting we are able to enter the space of pure being, allowing us to ultimately embrace our very Essence." To guide the listeners into that sacred inner space is the purpose of Sathyas music.
