

Mp3 Steve Edmonds - Medium Cool

[DOWNLOAD HERE](#)

This Australian Blues guitar legends cleverly crafted, funky blues debut, featuring an awesome variety of grooves, cool songs and a monster Aussie SuperBand. 10 MP3 Songs BLUES: Funky Blues, ROCK: Funk Rock Details: Steve Edmonds is an Australian Blues guitar legend. His career spans 20 years and features recording touring stints with many International Australian premier Rock, Pop, Roots Blues artists. Including Johnny Johnson, Jimmy Barnes, Renee Geyer, John Farnham, Maraget Ulrich, Doug Parkinson, Matt Taylor &Chain and countless others. Steve's position as chosen guitarist for the worldwide phenomena (Australain) Idol TV series included recording and touring duties leading to his current collaboration with Idol finalist Shannon Noll. 'Medium Cool' Steve's debut Root Blues release is a generous nod to his fellow band mates and musical influences. This well crafted album not only features Steve's funky strat, smokey voice and clever songs but focuses on the groove heavy band sound and rhythmic interplay of 'The Steve Edmonds Band' at the height of their powers. 'Medium Cool' is Steve's first step out of his session-man history, exposing him as a bonafide recording artist producer in his own right. It has been critically acclaimed throughout the Australian Roots Blues brethern as a mature stylistic statement by one of Australia's very own Bluesman. We guarantee you will dig 'Medium Cool'
