Dub Reggae 8 MP3 Songs ELECTRONIC: Down Tempo, WORLD: Reggae Details: Sun Toucher is a recently formed project coming out of Atlanta, Ga. This live Reggae Dub quartet explores future electronic sounds with a traditional roots foundation. The album's thick ambiance of beats, melody, skank, and echo is a pure inhalation of what they have to offer in their live performance. Taking a turn from their original music careers: this Hip-Hop producer, Jungle Producer, MC and Jazz performer come together instrumental soundscape of organic reggae and scientific down-tempo. With some final touchers done by DSP master Richard Divine, this album is sixty minutes of nothing but good wholesome creativity. Enjoy the album "Dub Muscle".
