

## Mp3 Suzanne Mcdermott - Ephemera

[DOWNLOAD HERE](#)

An innovator in the classic folk style. Known for her gorgeous voice and brilliant lyrics, she is also an exceptional finger-style guitarist. Recorded in South Carolina and Eindhoven, Holland, Dirty Linen Magazine calls this CD "Compelling." 13 MP3 Songs FOLK: like Joni, FOLK: Modern Folk Details: Suzanne McDermott sings and writes out of what appears to be an endless source of wisdom, clarity, and innate musicianship, offering us a collection of songs that are as intelligent and thought provoking as they are beautiful. Tom Paxton calls Suzanne McDermott "The Genuine Article!" Now available in the US, Ephemera was originally released in Europe by CRS (Rounder Europe). Recorded in South Carolina and Eindhoven, Holland, Suzanne is accompanied by a fine array of Dutch and Belgian musicians including Ad Van Meurs and members of The Watchman band, Nils De Caster and a special appearance by David Rodriguez. Ephemera was produced by Ankie Keultjes. Dirty Linen Magazine calls Ephemera "Compelling. McDermott has a soulful and beautiful voice...Her songs have a strong spiritual intensity and an honesty." Theo de Jong of Strictly Country Magazine, The Netherlands writes "This is an album filled with rare, beautiful, original and intelligent songs." Caroline Wampole of Big Soul (Sony France) says "I listened to Ephemera again today, and once again was blown away by the sheer power of all those beautiful songs. It is a REALLY GOOD album, I mean it. " Sing Out! Magazine calls McDermott "A thoughtful, literate and serious singer songwriter deserving of attention." Cheryl Wheeler says "I love the Roswell song! I LOVE IT!!!" Tom Kimmell writes "Lovely and fresh, but not so sweet that you can't come back for seconds, and thirds, and.... " Click on Souvenir, Out Under the Sky (Christmas) and The Glory for information on Suzanne's other albums.
