

## Mp3 The Garbonzos - Eat Our Beans

[DOWNLOAD HERE](#)

Accordion driven polkas, reggae, and eclectic, tongue-in-cheek songs about eating, drinking, and underwear, produced by Ozark Mountain Daredevil bassist Michael 'Supe' Granda. With a large dose of humor, geared towards a good time, and a full dance floor 11 MP3 Songs WORLD: Polka, WORLD: World Fusion Details: Zany, mad cap music featuring accordions, fiddles, washboards, and any other inanimate object within reach, played by zany, mad cap men with funny caps on their funny heads. No joke too juvenile. No song too silly. These guys are serious about their silliness. If you don't smile, and dance, while listening to the music of the Garbonzos, there is something wrong with you feet. Have a good time.
