

## Mp3 The Green And Yellow Tv - Record X

[DOWNLOAD HERE](#)

Calling on the great pop artists of the British Invasion past and present, these guys sculpt new sounds to praise their beloved Southern California sunshine. 10 MP3 Songs ROCK: Psychedelic, POP: California Pop Details: "The Green and Yellow TV are now at the very forefront of L.A. rock, and it's time you realized it. Record X is the L.A. album of the summer." -L.A.Mean Street "The Beach Boys, Beatles and Who are dead. Who's to carry the melodic, harmony rich mantle now that all the trailblazers are gone? The Green and Yellow TV, that's who. These are elegant ditties performed by smart kids who know a hell of a lot more than three chords and a hook." -Splendid Magazine "The Green and Yellow TV undoubtedly boast some of the best harmonies in rock today." -New Times (Los Angeles) ..."The Green and Yellow TV are at the start of what may very well be something big." -Shake It Up Magazine
