Feminist rock that takes no prisoners; the musical odyssey of a young woman fed up with her relationships with men. She gradually crosses over, becoming a woman who loves women, and ends up much happier as a result. 11 MP3 Songs ROCK: Modern Rock, POP: Quirky Details: Facsimile Dream includes The Sound of Goodbye, winner in the category of Best Rock Song in the 2004 Portland Songwriters Association song contest. REVIEWS OF FACSIMILE DREAM "This really is an exceptional record. The vocals are fantastic and the songs well written. The lyrics are clever, smart and witty. The melodies are catchy without being trite, and the instrumentation is wonderful. This is the full package." Amy Lotsberg - collectedsounds.com "Spunky folk-pop country-rock, the Gypsy Cowgirls' roots acoustic sound gets it done where normally it couldn't be . . . the vocals and progressive songwriting float the Gypsy Cowgirls on deep water; "Dark Enigma Road" and "Gemini" are two of the most extraordinary pieces of songwriting I've heard . . ."
