

Mp3 The Illiterati - Oh Flaming Sword! Oh Tree Of Life!

[DOWNLOAD HERE](#)

the illiterati is pop music - music made with microchips and melodicas, sweet singing and six-string-strumming, tapped-out, taped-up drum machines and joy-drunk-heart-machinations... these songs have lyrics except when they don't - so - enjoy. 11 MP3 Songs POP: with Electronic Production, ROCK: Progressive Rock Details: influences? we've been known to listen to the kinks, depeche mode, d.j. shadow, sigur ros, grandaddy, air, brian eno, autechre, and badly drawn boy, if that helps you at all - we also fully approve of an english band called the beatles listen to the record in its entirety streaming on the official website. just click that link down and to your left.
