Mp3 The Kelly Bowlin Band - Williamsburg

An eclectic blend of straight-ahead rock-n-roll, acoustic folk, and down home Appalachian blue grass. 10 MP3 Songs ROCK: Roots Rock, BLUES: Rockin' Blues Details: Hear the Real Thing. The Kelly Bowlin Band's debut release Williamsburg, takes you back to the Kentucky roots of Kelly Bowlin --critically acclaimed frontman and singer/songwriter of the group. Williamsburg is an eclectic blend of straight-ahead rock-n-roll, acoustic folk, and down home Appalachian blue grass. Accolades from local critics and musicians alike, Kelly's musical style is much akin to legendary artists' Steve Earle, John Prine, John Hiatt, and Ry Cooder In the last year, The Kelly Bowlin Band has been touring up and down the west coast and has been receiving mass attention by major concert venues and national touring artists due to their loyal fan base. The Kelly Bowlin Band has opened up for such noteworthy artists as: The Blasters, Soul Asylum, The Radiators, Dave Mason, John Clyne and the Peacemakers, and many more. Here is what some of the critics are saying about Kelly Bowlin: .celebrates the spirit of American music. Gritty vocals and blazing skills on the guitar and mandolin - Robert Kinsler OC Register Critic .The Kelly Bowlin Band has experienced an almost Cinderella type story over the past two years. Dwight Yoakam meets the Rolling Stones - Newport News .If you hurry, you can say you knew them when, but it's gonna take some fancy footwork - Sun Post News .Dramatically arranged, heartfelt, grounded and real - Music Connection Often autobiographical, Williamsburg is a musical tapestry that blends the best of gritty rock-n-roll with the introspection, sensitivity, and organic ambience notable of bluegrass. Kentucky Angel, Paper Wings, and Williamsburg are some of the songs that will keep the mindful and aware listener intrigued and delighted. Forget the trite, fleeting, ephemeral sounds of today's mainstream music. Williamsburg is an odyssey into the Real Thing.
