Details: We believe You Are Thumbuddy! and wed like to tell you why! Lets start by looking at your thumb. Your thumbprint is the only one like it it is unique in all of history! Now look how your thumb stands out from your fingers it is set apart! To say, You are Thumbuddy! really means that you are outstanding, set apart, and one-of-a-kind. Truly, you are unique in many ways. Imagine seeing an original painting with random shapes. What if you then discovered the famous Picasso himself had created this masterpiece? Certainly your appreciation for this painting would soar! Now take a new look at yourself, your spouse and your children, knowing that the greatest artist of all time, God himself, created each of you! God knew you before you were even born, and He blessed you with unique gifts, talents, thoughts and ideas the same way He blessed you with a unique thumbprint. You Are Thumbuddy! means you are a priceless, original masterpiece. Our fun and upbeat songs will help you and your children celebrate this amazing thought!
