Related styles: POP: Today's Top 40, JAZZ: Jazz-Pop People who are interested in Lisa Stansfield Swing Out Sister should consider this download. Details: Viki currently finished writing and recording her second release DRIVE. One of these songs, Chance to Dream, was recorded, contracted and used, for an opening scene on the Lifetime Network series , entitled, Missing; starring, Kelly Ripa and Vivica Foxx. This compilation is a collage of Adult Contemporary, Pop, R B with a Standard sounding ballad. This album shows the versatility of Vikis style of writing. Marc Spencer, producer/engineer, together created Vikis first CD entitled Exposed. Seven of the nine songs on this album are Vikis originals, which many critics agree, resemble the sounds of Anita Baker and (the late), Phyllis Hyman. Each of these songs spell out self-experience and expressions of memories made and love longed for. This album showcases the passion and soulful delivery, that only Viki, can bring to her songs.
