"Bringing What Was Dead Back To Life", You ain't heard nothin' like it..... 14 MP3 Songs HIP

HOP/RAP: Rap, HIP HOP/RAP: Spiritual Rap Details: Jimmy Lunsford, a.k.a, "X-THUG", is from the Houston based rap group CIA (Christians In Action), but got his start rapping wit' his homeboy all the way up in Newport, RI that boy MC-Hank aka,MC-MADD Harry Saunders, we started rapping in clubs and house parties with DJ Benny J (Jones). Man we use to battle freestyle on a daily basis when some of these wanna be MC's were just kids YO! But X-THUG's life took a drastic turn to Providence, RI then to Philly that Hometown, then to Houston. Too much party life and them thangs got the best of me so I took it south. Chilled for a minute and realized these boys was heavy in the rap game down in Houston. I hooked up with my boy Gost Riter aka "MC-D" of CIA-Christians In Action and we put it down for a while and still 'bout to do it! And see the enemy should have never brought me down like he did cause now I got a vendetta to pull everybody out of his death camps you know what I'm sayin'. That fool took too many lives and people close to me man, sent them to prison for years and still won't let them alone. See that's why y'all need to help me reach these THUGS man, by givin' them some of these rhymes YO!, see cause I got tha' greatest story ever told to tell them, and you'll see why I say that I'm "SHININ' cause of this light of mine, so get that....album y'all !
