Build Interactive SEO Niche Sites With Content - Articles, Jokes, Games, Pictures/Images, Audio Clips, Video Clips And More... With Just A Few Simple Clicks! Your Site Visitors Will Tell You Which Content They Like Most By Rating It! Make no mistake about it. If you want your website to attract repeat visitors, your website needs to have have a lot more than just text content. The days of text-only sites are over or, at the very least, coming to an end. Enter Sites With Text Content, Audio, Video & More! Would you like to have a winner niche website? You need to have: articles, advice, tips, jokes, games, audio, video clips. in other words you need to bring together all types of content in multiple formats, all in one place. What else? Create Interactive Sites & Let Visitors Tell You What They Like! Today's sites need to be interactive. Answer This Million Dollar Quiz Question: ?What is the easiest and fastest way for you to make your site interactive and find out what content your website visitors like or dislike? The simple answer is: Let them rate the content you have on your site! That's one of the most important ways you could make your site interactive. Today's sites need to allow people to give their opinion, to rate content, to tell what they like or don't like. or they'll just leave without you ever finding out why. You can also have your site visitors contribute links to the hottest content in your niche! Psychologically speaking, people like websites they contribute content to and they are more likely to tell their friends about it! The challenge is, how can you create and manage such a content-rich site? The answer to the challenge is... VIP Interactive Site Creator VIP Interactive Site Creator allows you to create and manage interactive SEO Niche sites where you can have articles, tips, jokes, pictures/images, audio, video and games, as well as have ratings and comments by site visitors, and a lot more. VIP Interactive Site Creator Features & Benefits! Manage everything from the admin panel: content, templates, ratings/comments, users,

everything. Add, edit and manage all content in categories/sub-categories: articles, tips, jokes, pictures/images, audio clips, video clips, and games. Users can rate all content and add comments. Admin can manage the rating/comments of users. Pictures section displays picture details such as category, rating, and views. Clicking on a picture displays other details such as author, file size, and description. Audio & Video Sections: User can watch videos using video section, and can listen to audio files in the audio section. Games section is used to view different games added by the administrator. Add, edit and manage two types of links: Normal and Hot Links. Users can add static and hot links (requires admin approval). Have your site visitors contribute links to the hottest content in your niche! Hot links are displayed in the HOT LINKS AREA on all pages (see left side of image above). Create newsletter for site visitors/subscribers. Change look and feel of your site with a single click. Select any of the 10 available themes. Add Google Adsense code (or any ad code) in admin panel. AdSense ads will be displayed on all pages in header and footer areas. Add, edit and manage users from admin. Add, edit and manage content like the newsletter, advertisement and user comments. Add, edit and manage users credits from admin panel. Search capability: User can search the pictures, video, audio, games, jokes, newsletter. Login facility for registered members. Users can sign up as new members. All pages will have static links for SEO. Dynamic links are 'suitable' not for search engines! Static links are what search engines love. Here's what Google says: "Reasons your site may not be included: Your pages are dynamically generated. We are able to index dynamically generated pages. However, because our web crawler can easily overwhelm and crash sites serving dynamic content, we limit the amount of dynamic pages we index." Add, edit and manage the meta tags of any page on your site. Generate Reports And more! Download Your VIP Interactive Site Creator Now! You can download VIP Interactive Site Creator and start using it in minutes! Affiliate Marketing Internet Marketing Coolest Guy On The Planet
