Hi, Im Louis Allport, If you know HOW - bringing in cash windfalls with affiliate marketing can be surprisingly predictable - and - easy. A bold statement? Okay - let me start talking you through it: Just linking to a site through an affiliate link is not enough. Heres why: The link may not be clicked. So before anything else, you need ways to make sure people are happy to click on your link. And then - even if they click, cookies may be deleted (this often happens these days, and this means you dont get the commission). So you need a way to make sure people WANT to be referred by you. Yes, it is possible. And after that - even if they click and want to be referred by you, they may not buy. So on top of everything, you need to know how to make people want to happily buy NOW through YOUR link. And it is possible to surprisingly easily align all these factors so you can create affiliate cash windfalls on demand... The Three Pillars Of Predictable Affiliate Cash Lets go through the three pillars again quickly: You need the visitor to click through your link. You need to keep the cookie on their

computer, so that you get the commission. You need visitors referred by you to want to buy NOW (which earns you the commission). And whatever you may have heard, it IS possible to line up all these factors surprisingly easily and surprisingly predictably. BUT - for maximum success you need to get all the details right. And thats what Im going to reveal for you - Ive put together a series of videos that talk you through every single step: These easy-to-duplicate affiliate windfall secrets come in the form of seven brand new videos you view directly at your computer. Ive bundled these powerful videos into a product called Affiliate Windfall Secrets: These seven videos come to a total playing time of 79 minutes.
