Nowhere else on the Internet will you find a web script of this caliber targeted only to Online Business! A Little Background On The Script, Provided by Creator Kim Enders 'Ebiz Picture Gallery was inspired by my need to point to my ecovers, screenshots and graphic portfolios from sales pages and sites I own. As you know, if you create a sales page that is loaded down with pictures, it makes the page load up a lot slowly. Why do that when you can just as easily point to a gallery with all of your pictures? So, not finding anything else like this script out there on the Internet, I filtered the Net looking for a script to tailor to my needs. Less than a day's worth of tweak coding later, Ebiz Picture Gallery was born! As this script has proven useful to me, I've chosen to distribute it to other online marketers and sellers. I'm sure you'll find it useful!' You Too Can Host Your Own Ebiz Gallery! You Choose What Ecovers and Web Graphics You Want Your Visitors To See! Installation is easy and the User Guide included is also very detailed!
