Utilize Overlooked Premium Computer Real Estate Did you know that a professionally created install program can quickly generate thousands of dollars in repeat and back end sales just for you? In such a simple way that has the Top Marketing Guru's Chasing Their Tails and Struggling to capitalize on! To become well known or even increase your sales doesn't always involve the latest scientific Traffic Cloaking, Doorway Generator with a PPC Maximizer gizmo thingi-ama-jig, that costs hundreds of dollars and a Masters Degree to figure out all the mumbo jumbo that comes with it! I can generate more targeted hot to buy prospects directly from having a Professional Install Program for all my digital products, than straying into using some hi-fi super duper gizmo thing that only lasts as long as it is the latest and hottest craze. My professionally installed programs are still on my clients computer well after those geeko crazes fade away! FACT: 87 of people surveyed said they refer to their Start/Programs menu, before searching the Net! People who have already bought from you are more likely to click on a link in their Start/Programs menu to any web-site you have listed... to see what's there! And when it comes to purchasing again...believe me if they are pleased with their previous purchase they are gonna purchase again. So make it real easy for them to find you and your products. Totally Overlooked Premium Computer Real Estate! Software companies like: Microsoft Norton Paint Shop Globescape Adobe And many many more... All use a professional install program that automatically places their name and software in the users start menu and creates an icon on their desktop. I really wonder what they know that just isn't being taken advantage of by the Internet Marketer? Hmmm. Let me see... could it be a professional install program!
