Learn How Youre LOSING Money - Each And Every Time One Of Your Website Viewers Gets A 404 Error! Now you can quickly and easily put a stop to all those page cannot be displayed messages and put more MONEY into your bank account! Finally! A simple and completely effective method of doing away with all those ugly and unproductive 404 errors! How would you like to... Arrange it so viewers NEVER see another page cannot be displayed message, even if theyve come from one of your affiliate pages. Never again lose sleep over whether or not you happened to input a misspelled URL address in one of your ezine ads. Install a simple intelligent script that can determine on its own what page a viewer was looking for (even though it was typed wrong) and take them there without hesitation. Receive an instant email message whenever a viewer reached your custom error page (including comprehensive details of where they came from and what URL they were originally trying to access). Purchase a product that not only offers FREE lifetime upgrades but comes with a 100 no-questions-asked, money-back, full-refund guarantee. With Intelligent 404, youll have all this and more! And the installation is so easy, even someone with little or no script experience can handle it in a matter of minutes. Simply edit one file and

upload four files to your web server. Thats it!
