From [Insert Your Name Here] Dear Website Owner, I will keep this letter short and simple. As long as you own a website of any kind, you need this one essential

ingredient: it's called traffic. If you are in business or for profit, you will know that traffic, traffic, traffic is crucial to the website as location, location, location is to real estate. Without traffic, a website - or an Online Business - will suffer, deteriorate, wither out, and eventually die. This will put your entire efforts to shame and waste because even the best sales copy ever written will not see a chance to be put to the test. And you will never find out if your offer actually converts visitors into customers in the first place. And NOT just any traffic will do - you need targeted traffic. The truth is that sending the right visitors to the right websites AND doing this in volumes - require skilled education. This isn't something you can achieve with your eyes blindfolded, not unless you already know what you are doing. Now for the good news... Being able to master traffic generation at will cannot get any easier. Within a mouse click from this web page, you will discover my secret, little known tactics that require nothing more than small applications and tweaks to your website and efforts. Yet the traffic results can be exponentially rewarding. And the BETTERS news... Traffic generation mastery has never been so affordable before!
