Id done everything as I usually would except for using my tricks of the trade and my site failed miserably. So I can only conclude that the tips in this book have been the secret to my success. Now I dont use all the techniques in this book all the time, but I do use SOME of them all the time. Ive not added any padding or fluff in this book Im going to take you straight to the meat and bones of what I firmly believe can be a life, and income changing read for you. Youre going to recognize some of these secrets because youll have seen them on sales pages before. You might even think that some are old and worn out techniques. LISTEN CLOSELY You couldnt be more wrong! There are certain triggers, pushes and manipulations that vastly increase the amount of sales you will make. These are used on the most successful websites in Internet Marketing. You wont find them on little sites that dont make any money. But you will have to use them to jump onto the wealth bandwagonand trust me - you will once you see how hugely successful they can make your business, and (lets be blunt) how much money you can make from them. Welcome to the inner circle guys..Im about to hand you the key to open the secrets of successful Internet Marketing **MARKETING SECRETS UNLOCKED!**
