Mike Filsaime has taken the Internet marketing world by storm. Hes an author, software developer, renowned speaker, personal coach, business consultant, and most of all... an intensive marketer. He was the General Manager of one of the nations largest Auto Dealers. 14 years in the auto business along with his education at New York Institute of Technology in Computer Science and Business Administration has allowed him to understand Marketing, Advertising, Sales, Customer Service, and long term Business Principles and how to use the Internet to leverage these principals to incredible successes. Hes led teams of over 50 people, trained some of the highest paid sales people in the auto industry today And has a way of teaching his concepts to people in a way that "sticks." Many of his protg's have gone on to have incredible success in a very short amount of time after working with him. He believes in continued learning and makes every attempt to stay on the cutting edge by purchasing courses and systems and studying from every successful person that is blazing the trail in their field. His home base is in Long Island, NY and envisions growing a \$100 Million Company in the years to come and is hoping to bring people along with him as he mentors people on their journey to success. Make yourself comfortable, turn up your speakers, grab a snack, bar the doors and kill the phone --you won't want to miss a single word or "bright idea". Just Some Of The Things Covered In The Call: Discover what Mike believes is a core principal of success and how you can use a very simple technique to identify your true personal goals. Hear Mike reveal the 'Hedgehog Concept' and learn how to use it properly (do this and you'll build the

kind of business you've always wanted to own). The real reason why you need focus, how to achieve it and why it's critical that you eliminate distractions and 'new opportunities' from your radar right now. The real difference between 'linear' vs 'leverage' thinking (one will make you rich beyond your dreams the other will tie you down and kill your earning potential.) Mike's secret tactic to becoming an expert in your chosen field the easy way. The powerful "Identify and Align" technique that will rocket your level of wealth, knowledge and ultimate success. How to overcome the social conditioning that keeps 90 of the population flat broke - If you've ever heard (or said yourself) something like this... "you have to work hard to make money" or "opportunities only come around once in a lifetime" then you need a radical rethink. How almost anyone can turn a 'hobby job' or part time business into a multi-million dollar company - powerful stuff Discover the real secret behind Mike's 'Overnight Success' with Butterfly Marketing - \$700,000 in one day & \$1.5Million+ in 2 weeks - Learn how he did it. The 'N.....' word Mike says you have to eliminate from your vocabulary right now before you can grow your business Learn how to recognize when it makes sense to outsource - Know when the time's right to employ staff to drive your business forward. What you need to offer other people to gain more personal success... The one strategy Mike believes has brought him more success than anything else over the last few years (and it's made him a 'household name' in marketing.) How to really network, develop successful business relationships and build trust Discover how Mike's "F-A-S-T Profits" system could change the way you make every kind of business decision for the better - (And prevent you from making the bad calls that will cost you time and money) Tags: copywriters auction sellers entrepreneurs home business owners info publishers and sellers webmasters
