Jazz, r&b, soul smooth jazz 12 MP3 Songs JAZZ: Jazz Fusion, URBAN/R&B: Funk Details: Chester Allen Thomas born in Wichita, Kansas. I am the fifth child of nine, In 1987 and 1988 I enrolled at Wichita State University to study music, my studies were the saxophone, piano, clarinet, music theory and oral skills. I am also a photographer and was the official concert Photographer for the Oasis Smooth Jazz radio station in Wichita Kansas. I was able to meet and photography many Jazz artists. I have now turn my focus on composing music. Composing music gives me a outlet to express my feeling and pursue my dream in the music business. I was always influence by many great artists, but the Great Grover Washington JR. was my heart. But there are many more artists from Bucky Green to John Klemmer who i was inspired by. My approach to composing a new song is spontaneous with a wide range of different musical influences. 2 GOOD TO GO represents a rebirth of many different Style and combination of rhythm and a groovie bass feeling with a very energetic earthy funky beat add some saxophone and keyboard and you have a soulful jazz sound. I would like to thank all of the radio station and music director who supported me and a special thank to all of my fan who supported me and all of the blessing from the almighty. Thank you Chester A Thomas
