

Mp3 Ami Producers Cut 1 - Electronic: Experimental

[DOWNLOAD HERE](#)

mixed producers music, jazz, electronic music, new age, remixed sound. 11 MP3 Songs ELECTRONIC: Experimental, JAZZ: Acid Jazz Details: My name is Alexander Raadman, I am an independent music producer, and publisher. Ami producers cut 1 is the first release of my album that contains cumulated passion for music and electronic art. This album is as colorful as the different styles of the music. It is featuring expression combined with different techniques of music producing now days as well as the amazing electronic sound created by synthesizers. My first album release is an essential part and a sign of the New Media Concept. It is presenting the independent music production, label and publishing of this age.
