

## Mp3 Ariel - Album 1

[DOWNLOAD HERE](#)

A compelling, beautifully diverse yet integrated blend of Brazilian, Irish Middle Eastern acoustic-centered world music. Combining the sways and touches of jazz, folk, acoustic and world, their music defies simple categorization. 10 MP3 Songs WORLD: Samba, WORLD: Celtic Details: Ariel has studied Classical, Jazz and Folk genres, learning to perform on the cello, violin, bass, guitar, berimbau, celtic harp and more. On this Album he sings traditional melodies from the Capoeira tradition in Bahia, Brazil. He performs Irish celtic music on the fiddle , guitar and harp on traditional and original melodies. Composing classical arrangements to more original melodies and adding the Middle Eastern touch on the latter part of the album ending on a melody inspired by picnics in Budapest, Hungary with Greek fellowship. The life of travel to over 30 countries has produced a geographic sonic emotional voyage, so buy this passport to the future to hear the past in the present.
