

# Mp3 Audio Spaghetti - Take Control

[DOWNLOAD HERE](#)

Pop, metal, funk, and jazz; this record has it all with very diverse and very catchy, groove-oriented rhythms. 12 MP3 Songs POP: Party Pop, ROCK: Funk Rock Details: Audio Spaghetti fuses elements of pop funk and metal which creates very catchy, groove oriented songs that have been very well absorbed in the Midwest. Their songs have been called "radio-friendly" but from a new genre. They have a knack with dynamics. Audio Spaghetti has performed at festivals in front of crowds with a much as 15,000+ in attendance. They have shared the stage with major Midwest acts and have performed at benefit concerts with international performers. Audio Spaghetti has also released their debut album Take Control in June 2006. The records mature and catchy songwriting has been turning heads ever since. The mix of pop, funk, and metal creates very groove oriented songs that are comparable to Sublime, 311 or the Red Hot Chili Peppers. Audio Spaghetts single, Know What I Mean has been playing on Star 107.9, Mix 103.3, and The Fly 92.7; three of Kansas top alternative stations. Each member of Audio Spaghetti is from Kansas. The groups drummer, Josh Fellers, played drums in the Great Bend high school bands. He placed first in state competition for quad drums, and a regular beat machine. Brendan Arnold grew up in New Jersey at a young age, and later moved to Kansas. Motivated by his musical influences, Les Claypool, Incubus, and Jimmys Chicken Shack, hes played bass for half his life, and has played with two rock bands prior to Audio Spaghetti. Jacob Tabler, The vocalist/guitar player, also played guitar and bass in his high school jazz band. He has been a musician for over 9 years. His favorite groups growing up were 311, Incubus, Sublime, and Green Day. His unique vocal style and playing tends to show all this, while simultaneously standing on its own as a style you have never heard. Playing in two rock bands prior to Audio Spaghetti, he is confident that this is the pinnacle of their musical performing experiences. Audio Spaghetti is determined to take the right steps to become a successful act. They will do whatever it takes,

however long it takes, because they have what it takes. This is a band that stands apart from others in that they are not only hardworking and dedicated but their music is very unique and attracts listeners of all audiences. Music is a very competitive business, which singles out the slackers. Likely, you will be seeing and hearing more of Audio Spaghetti in the coming years.
