

## Mp3 Brad Montague - Double Live (includes One Cd)

[DOWNLOAD HERE](#)

Twisted, yet clean comedy. 10 MP3 Songs SPOKEN WORD: Comedy, ROCK: Acoustic Details: With his hilarious songs, innocent yet twisted lyrics, and infectious energy, Brad Montague has won a loyal following (more than just his immediate family), which has led to the release of four (count em.. four) acclaimed albums, a DVD, a television show, and quite a busy travel schedule. His delivery is simple and endearing and his stage presence is electric. His songs combine catchy melodies with such strange and varied topics as love, grandmothers with mullets and two legged cats. The result is something both hilarious and refreshing. His live shows mix songs and comedy with video made by Brad himself, making for a multimedia experience! Brad believes in creating comedy that is appropriate for all ages. He keeps it clean and at the same time smart and clever. His audiences have responded with enthusiastic gratitude-making him an in demand entertainer for all age groups. Brad is also the host of his own comedy talk show, The Brad Montague Show, which is aired throughout the southwestern United States. He has been featured on several radio stations " including the nationally syndicated radio program, Dr. Demento, frequently appearing as one of the most requested artists of the week Brad Montague resides in TN with his hot wife Kristi. He is currently working on a fifth album, a second season of The Brad Montague Show, and awaiting the release of his first childrens book, I Would Still Love You.
