Too often I feel that we are bombarded with confusing messages that reinforce cultural standards and expectations that don't add value or happiness to our lives. Only through God's grace are we able to find truth and purpose. My music embodies the day-to-day experiences we have --- both joyful and painful. But my music is founded on the vision of a better tomorrow and the positive impact that we can have on our own lives, each other, and the future kingdom of God." Carlos Tabora
