Finally 4 years after his first cd release," Respect Yourself ", CITY has returned with his hot new cd release, " BROWN PAPER BAG ". This follow up Cd, was certainly, well worth the wait! This mix of Dance, Hip Hop, and Crossover Pop music, will certainly make this a favorite of all music lovers. From start to finish, I enjoyed all nine of these great tracks, each one different from the other in genre. No one can tire of this cd, or, even say that the vibe is all the same. The Dance track: "Come up to my room", had me up and dancing as soon as it began, and other songs like; Pump/pump it up, Tell me more, and Play'r, are destined for success !!! I enjoyed it all.
