The US's first power-noise outfit suitable for rockers, electro heads, and horses of different colors. 11 MP3 Songs ELECTRONIC: Industrial, POP: with Electronic Production Details: "All Dolls Go To Heaven" only wetted DollhouseX's appetite for the beat. While the focus of that CD was to create a unique sound, the focus of "Who's That Doll?" was to go harder and faster while staying true to what was started. The result, pure beat orgasm. No sophomore slump on this work, enjoy! See you at the show...
