Powerful hip hop mix; right now rap is in a dark stage. And I'm the lighter side of the darkness so come listen to the light 11 MP3 Songs HIP HOP/RAP: Hip Hop, KIDS/FAMILY: Kid Friendly Details: I was Born in a small little village in Panama, it was a dark gloomy night and pouring. I was born for something special but only God knows what. I started rapping at the age of nine, and I became serious at the age of fourteen when I first recorded in a studio. My passion for music grew and manifested itself in rapping, since then I have been hooked. I,m taking hip hop back to the essence because thats where it needs to be, my music is not gospel because I,m not worthy enough to be called gospel. And its definetly not hardcore, because its not. It is more spiritual because anybody can rap from their heart but I rap from my soul.
