Tupac's RASPY voice + E-40 stylee = Greenie (good Flow) 19 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: Hip Hop Details: Greenies first album showcases his charisma and rough sound. The best way to describe his voice is RASPY. And, when you mix that with original beats given to Greenie by his close and talented compadres, it makes for a special album. The standout single "Positive Influence" has an old school hip hop sound with a great hook. Tracks like American X, To the Judge and Psycho feature that ferocious tone making this artist unmistakable. Big Bomb is an assortment of flavors. From slow to fast beats, it is an upbeat album filled with strong hooks and life stories all rolled up into 19 tracks.

ALBUM REVIEWS: "Greenie has a quite original sound, and for once I find a hip-hop/rap artist 'thinking' about the music as much as the lyrics....original and very enjoyable....good stuff." - MixposureReview Crew
