Now you can purchase one or all of the songs on this CD at Appli iTunes, MusicMatch or SonyConnectfor just pennies a song. Just go to your favorite site, type in our song title or the artist's name "Hal L. Singer" and presto, you're there. Political Animals is a compilation of 5 pop rock songs with a political and social sub-text. Although writing music is Hal Singer's first love, politics is his second. Hal has been a musician, singer/songwriter and entertainer since the age of 12. A native Californian, Hal has worked with several bands through out his life, as well as, leading bands of his own. In 1980 his band named 88 wrote a song published by BUG RECORDS. The song called B.S., I LOVE YOU, was picked up in England, added to a compilation CD and released in Europe. In 1981, B.S. was named as one of Billboards picks of the week. Still performing professionally, his band , "RPM", ([TheRPMband.com](http://TheRPMband.com)) has been together for more than 12 years and is consistantly booked at various clubs and events in Southern California and Nevada performing covers. In 1997, Hal and his wife Georganna Barry-Singer, also a musician, singer/songwriter and actress began Singers Productions Studio/SPS Records.([SingersProductions.com](http://SingersProductions.com)) or ([SPSRecords.com](http://SPSRecords.com)) They currently publish, record, produce and release their own albums on their label SPS Records. They have released three albums

"Political Animals" and "Eklec-ticity One" available on CD Baby and "I Saw Hanukkah Harry Beat Up Santa" available on CD Baby.com, Amazon.com, and now, This Christmas Album is also distributed through Synergy Distribution to retail stores across the nation. Some of their songs are signed to outside Publishers. As always, outside Publishers and Recording Artists are welcome to contact Hal Georgie.
