With a bend toward Nebraska-era Springsteen and a vocal quiver similar to early Bob Dylan, Ian C Nelson packs strains of passion and intensity into songs of personal and spiritual longing. 12 MP3 Songs in this album (46:03) ! Related styles: COUNTRY: Alt-Country, FOLK: Folk-Rock People who are interested in Bob Dylan Neil Young Ryan Adams should consider this download. Details: Ian C Nelson currently resides and writes music in the Bryan/College Station area of central Texas. Growing up in the Hudson River valley of upstate NY, his songs tap into the folk flavorings of the rolling hills of the Adirondack forests. Themes of loneliness, raw hurt and brokenness sprinkle this collection of songs that draw from the deepest emotions of the human heart. This music channels sounds from another era allowing the listener to look deep inside themselves for the simple, but beautiful ways to heal and love.
