Related styles: URBAN/R&B: R&B Rap mix, POP: New Romantic People who are interested in Prince Freddie Jackson Chris Brown should consider this download. Details: This one of a kind artist/actor brings an array of soulful vocals and heartfelt lyrics unheard of in todays industry. Over the years, he continues to create a buzz among industry insiders as being the prototype for the next generation of acting and music. Never before has the world had an artist/actor with so much to offer! His music and acting has something for everyone to hold on to. His passionate and emotional songs and film acting touch the hearts of every woman, and yet his upfront, digestible wordplay still strikes a deep chord with the men as well. These talents have made him one of the most sought after performers in this region. Hello, I am Isaac M. Doing my thing in San Diego, Ca. I am in LA, North Hollywood, Burbank, and without a doubt SDC... San Diego County... PB, IB, Gas Lamp, and all over the county. Thank you for your support and comments and all that. Thank you for buying my album, my t-shirts, and all of my Isaac M/Isaac eM Wear. You've made my Mystic Rose(Slow Spin) Album a success. I am so happy with the outcome of that album... WOW... it started a little shakie I much say. I am now working on my next album. Titled: Wooden Doors. You can get a sneak preview of the album right here on Myspace. Also on my other website cafepress.com/isaac_m and cafepress.com/mysticrosecloth. You can also purchase my tshirts, coffee mugs and more on all these websites. I will also be giving away shirts, posters and copies of my new cd "Wooden Doors" at my CD coming out party. For those of you who don't know I have served in the united states military and I am proud of my service to my contry. I am able and willing to go when ever my contry needs me. I write and perform music my own music. I also act, and dance. Yes I am an actor too can you believe it... lol. I am working with the awesome people at One Source Talent... They

Rock. rdy4love.net, I am a full time student at San Diego City College Studing Radio and TV Communication and production. You know that comes with plenty of acting classes and learning how to be a film director. I am going to be geting my AA degree in 2011 and I am going on to either my carreer or San Diego State University to finish as a film director. I am and forever will be totally greatful. I post poems and blogs. I have and will continue to answer your questions that you may have for me. Thank you, thank you, thank you. Without YOU... MY FANS, Friends and Family... I would not be here. Thank you again. Isaac M.
