Specific areas of college study: Performance, composition, studio engineering. LINER NOTE : "Leon Gulbronson is a very dedicated musician, music writer and excellent person of integrity who aims for perfection in various mind-boggling genres". On one occasion of many over 17 years of hearing this man perform I witnessed him giving a classical piano recital followed by a country music drum gig in a niteclub on the same night!

He rocks with the best of them, too. Basically-its like this-if its music -its what Leon does!" -Fred
Kenny-KBOW D.J. Butte, Mt.
