

# Mp3 Luke Golden - Surewhynot

[DOWNLOAD HERE](#)

real music for real people liveitloveitall 8 MP3 Songs FOLK: Modern Folk, ROCK: Roots Rock Details:

ALOHA....My name is Luke Keone Golden I am a 25 year old surfer/musician from HILO/HAWAII, I play acoustic folk punk rock, I started recording the SUREWHYNOT album in the summer of 2003, me and my friend Brent Paul were jamming and he's like, "do you want to start and record a album of all these songs", then I was like "SUREWHYNOT" I believe music is constantly changing the world, when you listen to different music different thoughts come into your mind causing different actions, I hope to cause positive thoughts and actions with my music,

subliminally/musically....SUREWHYNOT....ALOHA....EVENINTHEND....
