Currently being used as a relaxation aid at many top spas throughout the U.S., including the Deepak Chopra Center, Miraval, Sterling Institute, Camelrock Yoga Center, Carapan, and many more. This melodic collection of romantic instrumental soundscapes captures the rhythms and spirit of the sea, using spanish guitar, bansurai flutes, accordion, piano, harp, kalimba, pennywhistle and many other traditional and modern instruments. This is a VISUALLY ENHANCED CD which contains a 5&1/2 minute relaxation nature video, shot on location in Maui, Kauai, California, and the Canadian Maritimes. Just pop it into any computer to see tall ships,a golden ocean sunrise, leaping dolphins, and soothing seashore scenes. The packaging of this album is truly unique - there are actual, tiny seashells placed in every CD jewel case, giving the listener a true memento of the sea... "Beautifully crafted. A lovely set of tunes that conveys the beauty, joy and serenity people feel when relaxing near the shore." - NEW AGE VOICE MAGAZINE "A beautiful, visually enhanced CD that transports the listener into oceanic adventures and more... Melodies that evoke the sea, with all its depth, history, and meditative rhythms". -LEADING EDGE REVIEW "The music of Sea Waltz conjures up memories of relaxing walks, and quiet, romantic moonlit evenings along the seashore. Luminaria illuminates your mind like a beautiful starlit night". - DJ DALE BUCAR WELW-CLEVELAND
