

Mp3 Paper Gods - Tragedies And Tragic Days

[DOWNLOAD HERE](#)

Heavily orchestrated, instrumental music that has been described as soundtrack music, goth, or "pop Wagner." 6 MP3 Songs in this album (14:35) ! Related styles: CLASSICAL: Wagner, ROCK: Goth Details: Paper Gods was founded in 2006 by Lycia member John Fair. Paper Gods is primarily an instrumental project that is heavily orchestrated with dark overtones. Paper Gods has been described as movie soundtrack music, goth, and "pop Wagner." In April of 2009, John met Mortalha of M. Sadotherapy through Myspace. John asked Mortalha to put vocals on one of his songs. Mortalha agreed, and roughly two weeks later the two had a completed six song EP. That EP is the latest Paper Gods release titled "Tragedies and Tragic Days." After completion of this EP, John asked Mortalha to be a permanent member of Paper Gods. Mortalha graciously accepted.
