Mp3 Redeemed - Rock The Nations

[DOWNLOAD HERE](#)

A hip-hop universal anthem to overtake, overthrow and to overcome the forces that wages war against the Body of Christ. 14 MP3 Songs HIP HOP/RAP: Spiritual Rap, HIP HOP/RAP: Hardcore Rap Details: Rock the Nations is a universal anthem to overtake, overthrow and to overcome the forces that wages war against the Body of Christ. This movement is taking the entire hip-hop culture, industry and community by storm. The world has yet to hear, to behold the sound of the mighty trumpet, the sound of war. Redeemed is bringing back to rap the battle ax from the book of Acts. As a hip-hop mercenary he vows to takes no prisoners as he storms through industry releasing the sound of the Lord. This prophetic, poetic visionary paints pictures with God's Word so that the Truth isn't just seen it's heard. Rock the Nations is a universal anthem to overtake, overthrow and overcome the forces that wages war against the Body of Christ. This movement is taking the entire hip-hop culture, industry and community by storm. Daring to defy the pattern of routine negative waves, Rock the Nations is releasing rivers of life. Therefore we embrace challenge and conflict, war and peace. We will stand our ground because we know no defeat. For when the force is one, the war is won!
