Hip hop music to the very essence. SoS is all about making music to make you think, laugh, and vibe to. New school mixed with the old school. 8 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Rap
Details: Basically SoS got formed back in 1999. They are three members Intrikt, Cloud 9, and Dj Phenom. Cloud 9 and Intrikt are half-brothers and Phenom is a mutual friend. They formed because of their love for the hiphop artform. Intrikt and Cloud 9 write the tight lyrics and Phenom provides the tight beats. They come from South Florida which is not really a place associated with real hiphop, but they hope to be the exception. With a variety of inspirations spanning from many genres, their style is just as varied. They write to express themselves and to voice their cynical views on life. Their goal is for people to enjoy their music and relate to it. For a more in depth bio of each member go to their website at symbolsofspeech.com
