Not long ago, after somewhat of a reunion, the guys got together to jam. They soon realized that their style of music is as fresh and exiting today as it was 30 years ago. They enjoyed the experience so much that they re-established themselves as The Soulsetters Rockin' Blues Band. The Band continues to provide a refreshing interpretation of Blues, 60's R&B and classic early '50's Rock. They call their music "Rocking Blues". What is "Rockin' Blues"? Rockin' Blues is a general category for Blues, Swing, R&B, Boogie, Shuffle, Funk, New Orleans, Chicago, and Texas Blues, and good old Rock and Roll.
